

# AniKleen<sup>®</sup> Sol

## Speciality anilox roller paste cleaner for aqueous & UV coatings/inks

---

### Description & Application

AniKleen Sol is a specialty cleaner designed to remove aqueous/UV inks and varnishes from anilox/rubber rollers, blankets and other metal parts

### Features & Benefits

- Versatile formulation; effectively cleans anilox/rubber rollers & blankets
- Excellent solvency; effectively cleans hard dried aqueous and UV varnishes
- Ideal viscosity; easy to apply and wash off
- Controlled pH; safer on anilox roller and metal parts

### Usage Instructions

#### Coating blanket

- Apply sufficient amount of AniKleen Sol with a lint free cloth to dilute and remove aqueous and UV varnish from the coating blanket
- Remove the residues with a clean damp cloth or sponge

#### Anilox roller

- Apply sufficient amount of AniKleen Sol on the roller and spread evenly over the surface. Use a lint free cloth or appropriate brush and gently apply in a circular motion and leave for 10-15 minutes
- Remove the residues with a clean damp cloth or sponge. Rinse any remaining residue with water. Severely clogged rollers may require a second application

#### Rubber roller

- Pour sufficient amount of AniKleen Sol to loosen the aqueous varnish
- Allow to run for 3-5 minutes at idling speed
- Pour sufficient amount of water to remove the residues by engaging the ducter blade

#### Cleaning hard dried aqueous and UV varnishes

- For dried/cured deposits on anilox rollers, grippers or any other parts of the machine, apply sufficient amount of AniKleen Sol and allow it to remain for sufficient time
- Remove the residues with a clean damp cloth or sponge. Rinse any remaining residue with water

Note : For painted surfaces, test the product for suitability on a non-descript area.

### Storage, Handling & Packaging

- Storage & Handling : Protect from direct sunlight. Store at moderate temperature in dry, well ventilated area. Keep containers tightly closed when not in use. Use of hand gloves is recommended.
- Shelf-life : 12 months from the date of manufacture
- Packing : 1 ltr
- Caution : Avoid contact with skin and eyes

## About Us

TechNova is one of the world's largest suppliers of print solutions. TechNova's innovative and world-class products cater to a wide range of industries, such as Commercial & Newspaper Printing, Publishing, Packaging, Signage, Photo, Textile, Engineering & Medical Imaging.

TechNova's name is derived from the words "technology" and "innovation", and it is these two tenets that form TechNova's core mission. Globally recognised as a pioneer, TechNova has introduced several breakthrough technologies and innovative products that have transformed various print processes and created new markets.

With its wide distribution and logistics network in India, TechNova's products & services are used by every printer in the country. In addition to its leadership position in India, TechNova markets its products to over 60 countries through its international offices and distribution network.

Uniting all of TechNova's businesses is its value system - a strict code of ethics, commitment to excellence, business conduct based on honesty, fairness & mutual trust, and a "Customer First" philosophy.

### Highlights

- World's only manufacturer of full range of Digital Offset Plates : Violet, Thermal, UV, Inkjet & Laser
- India's largest manufacturer of Offset Plates & Printing Chemicals
- Widest portfolio of Digital Print Media for Inkjet & Laser
- 70% market share in India for each of its product groups
- IMS Certification : ISO 9001:2015 (QMS); ISO 14001:2015 (EMS); ISO 45001:2018 (OHS)
- Winner of the prestigious GATF InterTech Technology Award
- Pioneer of the "Go Green" revolution in the Indian print industry

### Product Portfolio

- Offset Printing Plates
- Printing Chemicals
- Digital Print Media
- Thermal Platesetters & Processors
- Violet Platesetters & Processors
- UV Platesetters & Processors
- Inkjet Platesetters & Processors
- Digital Production Presses
- Digital Post-production Devices
- Software & Workflows
- Flexo & Letterpress Plates
- Waterless Plates
- Adhesives
- Printing Inks
- Printing Blankets & Underpackings
- Printing Rollers
- Press Enhancement Systems
- Value-added Services

### TechNova's Go Green Mission

Our Planet is our most vital resource. We must do all we can to preserve it. TechNova is committed to helping the printing industry adopt eco-friendly solutions, reduce carbon footprint, eliminate waste and facilitate sustainable growth.

To help achieve this, we at TechNova have embarked on a "Go Green" mission :

- To promote Green awareness within TechNova, with our stakeholders and within the printing industry
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment
- To comply with, and go beyond, all applicable legal requirements with regards to the environment and help our customers achieve the same.
