

CtP Processor Cleaner Xtra

Solvent based processor cleaner

Description & Application

CtP Processor Cleaner Xtra is a cleaner for the plate processors using all types of CtP & analog plates.

Features & Benefits

- Compatible with processor rollers; safe on rollers
- Compatible for use with all type of processors; universal application
- Can be used diluted or undiluted; user friendly
- Can be used locally on rollers and in developer section; ease of use
- Cleans coating stains from the rollers & maintains its affinity; prolongs roller life
- Also cleans the coating deposits from circulatory system; versatile usage

Usage Instructions

- Drain off exhausted developer bath
- Remove the filter
- Dilute CtP Processor Cleaner Xtra with tap water (Dilution ratio 1:2)
- Turn on processor & allow solution to circulate for 20-25 minutes
- Wet the dried rollers with use of squeeze bottle filled with diluted solution
- Drain & rinse away remaining residue with water
- Fill developer section with fresh tap water & circulate for 15 mins
- Clean developer section rollers with fresh tap water, ensure complete elimination of foam from rollers
- Drain the water from developer section
- Replace the filter
- Refill the bath with fresh developer
- For cleaning of stubborn stains on rollers and other parts of processor, use of undiluted CtP Processor Cleaner Xtra is recommended

Storage, Handling & Packaging

- Storage & Handling : Store at moderate temperature in dry, well ventilated area, away from sunlight. Always keep the containers tightly closed.
- Shelf-life : 12 months from the date of manufacture
- Packing : 5 & 20 litres
- Caution : Store away from sources of heat, sparks, open flames and static electricity charges. The use of gloves or barrier cream is recommended while handling press or pre-press chemicals

About Us

TechNova is one of the world's largest suppliers of print solutions. TechNova's innovative and world-class products cater to a wide range of industries, such as Commercial & Newspaper Printing, Publishing, Packaging, Signage, Photo, Textile, Engineering & Medical Imaging.

TechNova's name is derived from the words "technology" and "innovation", and it is these two tenets that form TechNova's core mission. Globally recognised as a pioneer, TechNova has introduced several breakthrough technologies and innovative products that have transformed various print processes and created new markets.

With its wide distribution and logistics network in India, TechNova's products & services are used by every printer in the country. In addition to its leadership position in India, TechNova markets its products to over 60 countries through its international offices and distribution network.

Uniting all of TechNova's businesses is its value system - a strict code of ethics, commitment to excellence, business conduct based on honesty, fairness & mutual trust, and a "Customer First" philosophy.

Highlights

- World's only manufacturer of full range of Digital Offset Plates : Violet, Thermal, UV, Inkjet & Laser
- India's largest manufacturer of Offset Plates & Printing Chemicals
- Widest portfolio of Digital Print Media for Inkjet & Laser
- 70% market share in India for each of its product groups
- IMS Certification : ISO 9001:2015 (QMS); ISO 14001:2015 (EMS); ISO 45001:2018 (OHS)
- Winner of the prestigious GATF InterTech Technology Award
- Pioneer of the "Go Green" revolution in the Indian print industry

Product Portfolio

- Offset Printing Plates
- Printing Chemicals
- Digital Print Media
- Thermal Platesetters & Processors
- Violet Platesetters & Processors
- UV Platesetters & Processors
- Inkjet Platesetters & Processors
- Digital Production Presses
- Digital Post-production Devices
- Software & Workflows
- Flexo & Letterpress Plates
- Waterless Plates
- Adhesives
- Printing Inks
- Printing Blankets & Underpackings
- Printing Rollers
- Press Enhancement Systems
- Value-added Services

TechNova's Go Green Mission

Our Planet is our most vital resource. We must do all we can to preserve it. TechNova is committed to helping the printing industry adopt eco-friendly solutions, reduce carbon footprint, eliminate waste and facilitate sustainable growth.

To help achieve this, we at TechNova have embarked on a "Go Green" mission :

- To promote Green awareness within TechNova, with our stakeholders and within the printing industry
- To develop, manufacture and supply eco-friendly Green products and services that have the least impact on the environment
- To comply with, and go beyond, all applicable legal requirements with regards to the environment and help our customers achieve the same.
